Said agent received said communication on 12 February 2007 and forwarded to Applicants in a letter dated 15 February 2007. The Examiner is requested to consider carefully the complete text of these reference in connection with the examination of the above-identified application in accord with 37 C.F.R. § 1.104(a). The listing of the reference on the PTO/SB/08A form is not intended to represent or imply that this reference is prior art to the above-captioned application. Applicants reserve the right to challenge the status of any reference so listed or otherwise identified as prior art.

It is requested that the reference listed on the attached form PTO/SB/08A be included in the "References Cited" portion of any patent issuing from this application (M.P.E.P. § 1302.12).
